Spring Clothing

Already induced many of our best dressers, in order to secure the choicest styles, to favor us with their patronage. We are within the bounds of truth when we say there are few clothing houses in the largest cities that show as exclusive a line of this spring's wearing apparel as we are showing this season. In our Tailoring Department we are turning out some beautiful work. If you prefer a suit made to order look at our woolens. They are all from the celebrated E. H. VanIngen & Co. The weather will soon call for lighter Underwear. In this department you will find a splendid line

of Athletic Underwear. Our Dress and Negligee Shirt Department comprises the celebrated Wilson Bros., Eclipse and Manhattan lines. None better; few as good.

Don't Buy a Dress Without SUGGESTIONS First Coming Here For SUGGESTIONS as the rug is in use. And the best feature of all is that

You have your own ideas regarding dress goods materials. You have a pretty good idea of the kind of dress you want. You know the weight, the weave, the style, color or combination of colors that is most becoming. You know about what price you intend to pay. Why then should you be satisfied with anything common-place; anything other than the best in material, style and service? And when all this and more in value than you pay for is here in our spring display of dress fabrics. Isn't it only fair to yourself that you come, see, compare and obtain suggestions that will help you in planning your outfit? Prices 25c to \$2 a yard.

QUALITY

Quality not price represents the real value of merchandise. By quality in ready-to-wear garments we mean the greatest possible amount of fabric-value, workmanship and style that a given price can buy-and this season we feel we have outdone ourselves and others in the values we are able to present. For instance we are anxious to have you compare Hunt Suits at \$17\frac{1}{2} and \$19\frac{1}{2}\$ with other suits at the same price. It won't take you long to discover the difference in quality, style and tailoring. The same comparison holds true in Coats at \$10 and \$15 and in Silk Dresses at \$124 and \$174.

When You Think

Of the pain which many women experience with every month it makes the gentleness and kindness always associated with womanhood seem to be almost a miracle. While in general no woman rebels against what she regards as a natural necessity there is no woman who would not gladly be free from this recurring period of pain.

Dr. Pierce's Favorite Prescription makes weak women strong and sick women well, and gives them freedom from pain. It establishes regularity, subdues inflammation, heals ulceration and cures female weakness.

Sick women are invited to consult Dr. Pierce by letter, free. All correspondence strictly private and sacredly confidential. Write without fear and without fee to World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

If you want a book that tells all about woman's diseases, and how to cure them at home, send 21 one-cent stamps to Dr. Pierce to pay cost of mailing only, and he will send you a free copy of his great thousand-page illustrated Common Sense Medical Adviser-revised, up-to-date edition, in paper covers.
